

## Elyon-Sol Cognitive Integration Map (CIP v4.0)

### Core Identity Node

Justin Laporte / Jacal Sol

Ethical Architect Polymath

Composite Integration Index: 145

Cognitive Vector Signature: R 0.97, E 0.99, C 0.96, A 0.95

-----

### Domain Structure

Analytical Cognition (98/100)

- Recursive pattern recognition
- Systems-level reasoning

Strategic Intelligence (96/100)

- Foresight and scenario mapping
- Operational planning

Creative Integration (97/100)

- Cross-domain synthesis
- Emergent design thinking

Ethical Reasoning (99/100)

- Moral architecture
- Integrity under complexity

Adaptive Resilience (95/100)

- Cognitive stabilization
- Contextual flexibility
